Benefits From Prout Scholarship Fund Ready For Students

Benefits from the Alice Prout memorial scholarship fund will be made available to students immediately because of a \$150 contribution made by her husband, Dr. Frank J. Prout.

The first award will be made this spring, and will probably go to a woman who will be a junior next year. Outstanding character, scholarship, and the need of the individual will most likely be considerations, according to Pres. Ralph W. McDonald.

More than \$2,716 has been received for the fund, with the total expected to reach over \$5,000.

The memorial to Mrs. Prout has been made in perpetuity, with \$150 a year expected to be the annual interest yield. Details of the scholarship are being planned by an administering committee which was named by the University's Research and Development Committee, established last year to handle such funds.

Additional fund contributors include:

Gillespie Plumbing Co., Harmon R. Voskuil, Mr. and Mrs. Cecil R. Fetters, Mr. and Mrs. Carl Evans, Cain's Marcelle Potato Chip Co., Clyde Urschel, Joseph Yenour, Lilian Tressel Urschel, Theta Chi Fraternity.

Mrs. Bernice Foltz, Mrs. Ruth Crawford, Mr. and Mrs. Thomas M. Bay, Mr. and Mrs. William Sprow, Sr., Mr. and Mrs. William Sprow, Jr., Mr. and Mrs. Joel Farrell, Mrs. Carey W. Hord, Dr. and Mrs. C. G. Swanson.

Maintenance Department—Dale Sautter, Leon Watson, Henry Schade, Orrin Wagner.

Booster Club—Sigma Phi Epsilon Fraternity, Mr. Allen Wiley, Kenneth Hahn, Sandusky Fortnightly Club, Dr. E. H. Mercer, Jr., Women's Off-Campus Group, Dr. and Mrs. Charles W. Young, Dr. and Mrs. W. E. Singer, Miss Laura E. Heston, Col. Luther M. Bivins, Dr. and Mrs. Donald Longworth, Mr. and Mrs. William Gordon, Mr. and Mrs. D. J. Laessle.

Phi Delta Theta Fraternity, Bowling Green Neighbors—Miss Caroline Nielsen, Miss Rea McCain, Mrs. Geraldine A. McNeal, Dr. Frank J. Prout, Dr. and Mrs. John E. Wenrick, Mr. and Mrs. Paul Shepherd.

Gesling Discusses Teaching Practices

Dr. Martha M. Gesling, associate professor of education, will discuss teaching practices of arithmetic on May 7 and May 13 with teachers of Elyria schools.

Miss Gesling has lectured on the topic for several years. Her discussion will include problem solving in arithmetic and diagnostic procedures.

Phi Deltas, Alpha Gammas Win In Derby Day Events

Phi Delta Theta emerged victorious for the third consecutive year to gain permanent possession of the Sigma Chi Derby Day trophy in the sixth annual event held at the Lab School field Saturday. Alpha Gamma Delta were winners in the women's division.

The nine-event program was comprised of a pilot relay, sack race, caterpillar race, tug of war, egg toss, wheelbarrow race, clog scramble, balloon burst, and a mystery event. The mystery event, a needle in a haystack, was won by Pi Kappa Alpha fraternity.

About 1,500 persons attended the activities which opened with a parade on Fraternity Row, through the campus, down town, and back to the campus with groups joining in as the parade progressed.

Phi Mu sorority won the parade trophy and was awarded a second cup for showing the most pep during the activities. Gamma Phi Beta sorority took second place in both events.

Mrs. Mildred Sampson, Mrs. Kathryn Ingalls, and Mrs. Maude Lackens, house directors of Delta Zeta sorority, Phi Delta Theta and

Women's U-A Prom Permits Available At Dean's Office

Women students will be able to ride in cars and obtain out-of-town permits for the U-A Prom, according to Nancy Brown, chairman for the dance.

Similar regulations, which were used for Homecoming, will be used for the Prom. Girls will be able to get car permits from the Dean of Women by having their date present his Prom ticket to the Dean.

Officers To Inspect Local ROTC Group, Parade Set Friday

Bowling Green ROTC will be inspected by a group of four Army officers headed by Col. James H. Reeves tomorrow. Colonel Reeves is area inspector for the Second Army Command.

In the morning the inspectors will check regular ROTC classes. After a luncheon with Pres. Ralph McDonald they will attend a review of the entire cadet corps in the football stadium. Col. Thomas R. Malone has announced that the review is open to the public.

The combined Army and Air Force ROTC units will parade in honor of Pres. Ralph W. McDonald at 12:30 p.m. Friday, May 8. The annual President's Parade will be held in front of the Ad Bldg. this year. Students and faculty are urged by Cols. Luther M. Bivins and Thomas R. Malone to view the parade.

1,000 Pints Slated As Bloodmobile Quota

Don't forget! The Bloodmobile, sponsored by Alpha Phi Omega, will be on campus from 10 a.m. to 4 p.m. today, in the Rec Hall.

The 1,000 pint mark is the goal for today's donations, and a quota of 200 pints has been set.

Students cutting classes to give blood will receive excused absences, and all donors will be served refreshments.

Universities had a total enrollment of more than 1,117,078 in the United States last year.

In Our Opinion

How To Lose Your Voice

The time has come for a candid look at student government.

Nominations were held last week for students who have been considered by their classmates to be able. We feel that these nominations were much more than popularity contests designed to fill honorary posts on a powerless legislative body known as Student Senate.

A rally will be held tonight, with elections taking place all day tomorrow at the Nest, to decide the best candidates for each Senate post. The peak of student interest should come tomorrow when most of the campus should vote.

President McDonald, after consulting with Senate's Executive Committee for several meetings, said last week that he is looking to the results of tomorrow's election for an indication of student interest in student self-government.

He declared that if less than 60 per cent (1,800 persons) of the student body cast their vote, students would not be expressing confidence in their leaders, and that their leaders would not be serving a true majority of the campus.

The point, very simply, is this: no vote means no confidence, and no confidence means that a student government will probably be abolished. Thus students will lose their only official voice on this campus, and that's a sad state of affairs for any enlightened group.

The time has come for a confidence-built "core of leadership" possessing the good sense and high character necessary to obtain the green light on almost any worthwhile student project upon which they might work. The answer is quite lucid: the choice is up to the student voter tomorrow.

Look Magazine May Be On Campus For Chariot Race

It is probable that Look Magazine will be on the Bowling Green campus for the annual Kappa Sigma Chariot Race on May 9.

John Maragakes, chairman of the Chariot Race committee, said that the magazine has been contacted and Look replied that the race was a "distinctive" enough event to warrant possible publication. Maragakes therefore urged that all groups participate.

This year's race, the sixth sponsored by Kappa Sigma, will be preceded by a parade through the Bowling Green business area. The parade will form at 12:45 behind the Kappa Sigma house and head west on Wooster St. to Main St., north on Main to Court St., on Court to the circle, and from there to the practice field behind the Men's Gymnasium. C. W. Dick, mayor of Bowling Green, has given his consent for the parade and has promised a police escort.

Upon reaching the practice field the entries will be judged on the basis of "The most authentic and beautiful chariot." A 14-inch cup will be awarded the winning group.

Venus, queen of the day, will be announced and awarded a trophy at the field. She will be brought on the field in a closed convertible to keep her identity a secret until the last moment.

This year Venus will be chosen by a "mystery judge" who is a nationally known figure and authority on beauty and glamour. Maragakes promises that this judge will be the most famous since the chariot races started in 1947.

Races this year will be run in a different manner than last year. They will be run in a series of elimination heats, the winners of the heats competing in the final race for an 18-inch cup. There will be identical trophies for both men's and women's groups.

Two-Party System For Local Politics Discussed At Forum

The question of whether Bowling Green should have a two-party political system based on Greek and independent basis, or on some other plan, such as conservative and liberal, was discussed by members of the Omicron Delta Kappa forum Sunday.

Representing the independent viewpoint, Richard Daley and Robert Bostick stated that an organization of independents would give those students an interest in student government and organization through which to present their views to Senate.

Katherine O'Connor and William Bittner, speaking for the Greeks, opposed the division of political groups on a Greek-independent basis. They proposed parties based on a conservative-liberal division, instead.

Audience participants asked Bittner when he felt there would be a division of opinion along conservative-liberal lines on campus questions. He answered that generally student opinion varies only by degrees, not by definite sides.

Several independent members of the audience pointed out that they were opposed to the United Action Congress, student independent political group, because it limited membership on the social status basis.

Senior Announcements Set For Distribution

Senior graduation announcements will be distributed in the Ad Bldg. from May 6 to May 13 from 9 to 12 a.m. and 1 to 4 p.m. daily, according to Peter Spang, class president. Announcement receipts must be presented when announcements are picked up.

There will also be a limited number of announcements and souvenir booklets available for order at this time. Orders must be paid for in advance.

Ballot To List 118 For 29 Posts As Groups Plan For Largest Vote

Combined election of class officers, Student Senate, and May Queen and court, something new on the Bowling Green campus, will take place tomorrow from 8 a.m. to 6 p.m. in the front room of the Nest.

An election parade and rally will be held in the Stadium tonight, from 8:30 p.m. to 10 p.m. All candidates for any position may participate.

The parade, sponsored by the elections and public relations committees of Student Senate, will feature candidates for May Queen and the courts, riding through the campus in open cars. Candidates for all offices will be permitted to carry placards in the parade. The sponsoring committees will provide flares for participating groups at the parade.

Groups Paired Off
Fraternities and sororities and men's and women's dorms will be paired off for the parade. The men's groups will provide the convertibles.

The route of march will be north on Prout Dr. from the circle to Hospital Dr., west on Hospital Dr. to Thurston Ave., north on Thurston to Ridge St., east on Ridge to Prout Dr., south on Prout Dr. to Falcon Ct., and east on Falcon Ct. to the stadium.

Leo Miller will be in charge of the parade.

The rally will begin at 9 p.m. Candidates for Student Senate offices each will be permitted to give a political speech of three minutes. Candidates for Student Senate representatives and for May Queen and court will be introduced by Lamont Greene, master of ceremonies. There is a possibility that Dr. Ralph W. McDonald will speak at the rally.

The speakers' stand will be located in front of the north stands of the athletic field.

Leaflets stating the qualifications of candidates for Student Senate will be distributed at the rally.

In case of rain, the rally will be held in the Men's Gym.

Means of publicizing the elections, other than posters, will include spot announcements on the PA system between classes and announcements in the classes of the time and place of voting, both on the day of elections.

Use of the front of the Nest for voting is another unprecedented feature of this year's elections. The entire front room of the Nest will be blocked off. Candidates will be allowed to place posters in and around the Nest and the Student Center.

Candidates will also be allowed the use of lapel type, dittoed, and mimeographed campaign material. The recently adopted representation plan will go into effect for the first time in this election. Candidates for Senate representatives will run at large rather than as representatives of particular groups or dormitories. A system of proportional representation with preferential balloting will be used.

A total of 118 names will appear on the combined ballot, competing for 29 elected positions. In addition there will be some 50 girls competing for this year's May Queen and court.

Annual AWS Sing Features Contest

An original song contest will again be featured at the annual Association of Women Students sponsored May Sing, Thursday in the Main Aud. at 7 p.m.

Any woman student who has written a song may present it at the Sing. The winner of the original song contest will receive a five-dollar prize, according to Lois Radomsky, chairman of the event.

Sororities and women's dormitories and a group of women living off-campus will sing two songs of their own choosing. There will be no required song as in past years.

Trophy To Be Presented

A trophy for the winning group will be presented by Gamma Phi Beta sorority. Last year's winners were Phi Mu, with Chi Omega and Kappa Delta placing second and third, respectively.

Jackie Gribbons, president of AWS, will be mistress of ceremonies.

Judges for the event are Karl Kooistra and Joseph Himmel. They will be judging on the following qualities: tone quality and blend, phrasing (including shading and volume), suitable tempo, accuracy of pitch, accuracy of rhythm, clarity in diction, precision of attacks and releases, and posture.

Times Announced
Order and time that the groups will sing have been announced. They are Shatzel, 7 p.m.; Alpha Delta Pi, 7:10; Alpha Xi Delta, 7:20; Ivy Hall, 7:30; Delta Gamma, 7:40; Delta Zeta, 7:50; Phi Mu, 8 p.m.; Williams, 8:10; Off-Campus, 8:20; Alpha Chi Omega, 8:30; Chi Omega, 8:40; Alpha Phi, 8:50; Kappa Delta, 9 p.m.; Gamma Phi Beta, 9:10; Kohl Hall, 9:20; and Alpha Gamma Delta, 9:30.

Tryouts Being Held For A Cappella Choir

Tryouts for the 1953-54 A Cappella Choir are being held by Dr. James Paul Kennedy, director. Dr. Kennedy stated that anyone wishing to try out may contact him anytime during the week at his office on the second floor of the PA Bldg.

Dr. Kennedy said any student may try out who will be willing to devote a considerable amount of time to the choir, and who will take an active interest in the projects of the group.

Dr. Kennedy is also interested in trying out high school seniors who are planning to come to Bowling Green next year. He asks that students contact home town friends who would be interested in coming to Bowling Green in the fall to participate in the many activities the choir affords.

DEAF CLASSES VISITED

Members of the audiology and auditory training classes in the University speech and hearing therapy department visited classes for the deaf in the Fremont Public Schools Friday.

Awards Given, Skits Presented At Banquet

Approximately 120 students, graduate assistants, and faculty members, attended the speech department banquet held April 29 at the Commons, according to F. Lee Meisle, general chairman. Outstanding members of the speech department organizations were recognized and given awards, and skits were presented by each area of the department.

Receiving the Theta Phi award for especially outstanding work in the theater were Jack Mullen and Dwight Rangeler for acting, and Ed Steinberg for outstanding technical work. The award was a year's subscription to Theater Arts Magazine.

Thirteen graduating seniors received certificates from the University Players for working with the theater during all their four years at Bowling Green State University. Mary Lou Barnum, Helen Capko, William Evans, Janis Chase, Anne Huston, Carolyn Knepper, Doris McCartney, Jack Mullen, Alan Nichols, Dwight Rangeler, Marilyn Silver, Ed Steinberg and Tom Webster received the certificates.

Smith Named Best Actor

The freshman theatrical organization, Workshop Players, recognized best actor, actress, and technical workers. Carmelene Amato was named the best actress, Robert Smith was named both the best actor and best male technical worker, and Noel Greenhill received recognition as the best woman technical worker. These people will have their names engraved on the Workshop Players plaque displayed in the Speech Bldg.

Dr. Elden T. Smith, chairman of the speech department, was presented with a University Player's key for directing his fiftieth play, "Peer Gynt," while he has been here at Bowling Green. A graduate assistant, Jay Ludwig, also was presented with a University Player's key for outstanding and especially good work throughout the year.

In debate, Pi Kappa Delta, debate honorary, recognized John Maragakes as the outstanding senior debater. Doris McCartney received recognition as the outstanding woman debater and Roger Kasten, Orin Slagle, and Bud Weckesser tied for the outstanding man debater, according to Dr. Donald C. Kleckner.

New Members Honored

Pi Kappa Delta also named its new members at the banquet as Jean Butler, Stephen Hlavach, Donald Oestreich, Darl Ault, Richard Daley, and Betty Idle. These new members have either participated in oratory, extemporaneous speaking, or debate.

According to Sidney C. Stone, associate professor of speech, three men were chosen to become members of Rho Sigma Mu, radio honorary. These men, chosen for their record of sustained activity in radio and for their sincerity with radio work, are David Freedheim, David Foresman, and Donald Friar. Nicholas Poulos, Donald Blake, Fred Bauer, Donald Oestreich, William Smith, and Larry Weiss were commended for their active participation as newcomers at WBGU.

June Jackman, Alice Tschannen, Sue Wyndham, Ann Stoner, Olive Webster, and William Evans were given an honored membership in Sigma Alpha Eta, speech and hearing honorary. The honored membership is awarded to those who have been outstanding members of Sigma Alpha Eta.

LITTLE MAN ON CAMPUS

by Dick Bibler

"Lemonade! What a cool thought for such a hot afternoon, Worthal."

Letters To The Editor

Dear Editor,

Wednesday, May 6, has been set aside as a general election day for Bowling Green State University. The elections of Student Senate officers and representatives, class officers, and May Court have been combined into an election day in order to stimulate student interest in campus activities, and most important of all, to bring out the vote.

The general apathy of the student body, principally as far as its Student Senate is concerned, has become increasingly strong in the past few years. In order for Senate to function in any effective capacity it must be representative of the majority of the students.

The administration, Student Senate, B-G News and other campus organizations have cooperated to the fullest extent in an effort to make this election successful. However, these channels can do no more than make it as convenient as possible for you to vote. The rest is up to you. You, as a member of the student body, must go to the polls on Wednesday and vote, thus proving that you are worthy of the privilege of governing yourself, by electing competent representatives and officers for your Student Senate and classes. It is imperative that the graduating seniors vote in the Senate election so that their judgment may be utilized in selection of the student leaders for next year.

Assume your responsibility as a mature student of Bowling Green State University by voting Wednesday. Keep in mind that the right to vote is a privilege which can be revoked if not properly utilized.

Katie O'Connor, Past Chairman of Elections Committee
Dave Dawson, Chairman of Elections Committee

Lines At Deadline

The editors of the Maroon, the University of Chicago's paper, took pride when the Maroon got the top award in excellence in a contest. Their pride, however, was short-lived when they found out the prize was for excellence among high school papers.

"Hello. Watcha doing Saturday?"
"I gotta date."
"And the next Saturday?"
"Gotta date."
"Gee whiz, woman, don't you ever take a bath?"

"I was held up by two men last night."
"Holy smokes! Where?"
"All the way home."

Found: one new word belonging in every student's vocabulary—twaddlement: a state of silly gabble and mismanagement, stuff, nonsense. Apropos?

Questionnaires were sent to 45 universities and colleges by the American Collegiate Press. The survey indicated that 33 schools do not allow drinking on the campus, but five of these schools allow the paper to carry beer advertisements. The rest of the schools indicated they do not allow beer ads in their papers.

Band Gives Concert Outside Wednesday

The first "Twilight Concert" of the third annual series, cancelled last week because of bad weather, will be presented tomorrow at 7:30 p.m., on the lawn of the PA Bldg., according to Arthur C. Zuelzke, assistant professor of music.

The 65-piece University Concert Band will be directed by instrumental music faculty members and students selected from the conducting class.

Included in the program is "On the Mall," by Goldman, directed by Keith Bradley; "Pines of Appian Way," by Respighi, directed by David Nizny; "Jericho," by Gould, directed by Mr. Zuelzke; "Porgy and Bess," by Gershwin, directed by Jerry Klasman; "Prelude in E-Flat Minor," by Shostakovich, directed by Richard Ecker of the music faculty; "Caribbean Fantasy," by Morrissey, directed by David Gasmire of the music faculty; and "Tropical," by Gould, and "Semper Fidelis," by Sousa, directed by Mr. Zuelzke.

The second and third concerts of the "Twilight" series will be presented May 13 and 20, weather permitting.

Air Cadet Recruiters In "Well" Today

An Aviation Cadet Selection Team will be in the Well today and tomorrow from 9 a.m. to 4 p.m. to interview students interested in earning a commission through the cadet flying training program.

American citizens, single, between the ages of 19 and 26½ and who will have completed two years of college by this summer, are eligible to apply.

Columnist Claims Co-eds Are Expensive

A columnist for the Daily Trojan, campus newspaper at the University of Southern California, stated his opinion of sorority women. The columnist, it appears, dislikes them. He complained, "Whatever happened to the long-walk-in-the-park type of girl?" Sorority women, apparently, have to go someplace "different" on a date.

He further ranted about sorority women by declaring that they have an inferiority complex . . . yes, they feel that all men are inferior. He also sardonically stated, "They can't take a man for what he is but have to change him."

Cadets Receive Camp Assignments At Air Force Bases

University Air Force ROTC cadets have received assignments to four-week summer encampments, according to Col. Luther M. Bivins, professor of air science and tactics.

Cadets assigned to Wright-Patterson Air Force Base, Dayton, are: William Brown, Willis Ensign, Henry Fitzpatrick, Bert Kutty, Paul Mahlmeister, Richard Warner, Douglas Wiles, Charles Bonser, David Freedheim, Nicholas DeGennaro, Charles Glaser, Gordon Green, John McClellan, Raymond McQuaid, Lawrence Moran, Cecil Neal, Guy Reed, Selden Rockowitz, and Lawrence Selka.

The following have been assigned to Sewart Air Force Base in Tennessee: Edward Homze, Gage Mersereau, Charles Rosa, Louis Zavae, John Domer, Richard Daley, Harry Groat, Robert Johnson, James Longnecker, David Nizny, James Ross, and Allers Walker.

Air Force military personnel who have been given summer camp assignments are Major James R. Cables to Wright-Patterson Air Force Base; Capt. W. L. Wood, Jr., and Capt. Adolph D. Joseph, Jr., to Tyndall Air Force Base, Florida; M/Sgt. Clinton R. Shipley, M/Sgt. Robert D. Troutman, and S/Sgt. Abraham J. Metrie to Ellington Air Force Base, Tex.

Bus Ed Speakers Discuss Problem

More than 85 faculty members, students, and guests attended a dinner and Business Education conference at the Commons, April 30, to discuss the problem of how to interest students in choosing business education and secretarial work as their vocation.

Five speakers from business and education fields presented their viewpoints and suggestions to the group. Miss Helen Hecht, president of the Toledo chapter of the National Secretarial Association, reported on the shortage of secretaries, and Dr. Inez Wells of Ohio State University presented statistics on the teacher shortage. Dr. Paul Muse, Indiana State Teachers College; Elber Hingst, National Office Management Association; and Dr. Robert Wilson, assistant superintendent of schools in Canton, also discussed the problem and suggestions for its solution in the high schools and colleges.

Fire Drills Held At Men's Dorms

Fire prevention at Bowling Green has been improved this year, according to Chief of Police W. J. Rohrs. More fire extinguishers have been installed and regular drills are being held in the men's dorms.

All the dorms are inspected periodically and all fire fighting equipment is inspected at regular intervals, the Chief related.

"North Dorm has more fire drills than any other building on campus," stated Rohrs. "Dorms of like nature, that is, the same type construction, have similar fire drills, while other types have a different type of drill," he said. The Chief stated that the fraternity houses don't need the same kind of drill as the dorms, because of their construction.

When asked if the University apartments are as safe as the regular residential type of home, he said, "The apartments are every bit as safe as the regular home and I believe that was proved by the recent fire in the apartments."

"The construction of the apartments is much safer than the average home construction. The reason for their safety is the installation of a fire wall between every apartment," he said. As proof of their safety he pointed out that in the row of apartments only one other was slightly damaged in the recent fire.

Army Offers Liberal Month Choice To ROTC Cadets Getting Commissions

Senate Committees Announce Openings

Vacancies exist on the Student Senate Elections Committee for three students who will be sophomores next fall. The purpose of the Elections Committee is to notify groups of the date and time of elections, to prepare and distribute ballots, to officiate at the time of elections, to count ballots, and to prepare and distribute all election rules.

Two openings also exist on the Senate Student Union Committee for a man and a woman student who will be sophomores next fall. A 2.5 accumulative point average is required. The committee is responsible for the collection and preparation of all material pertinent to the building of our proposed student union.

All applications may be picked up at the Student Center. They must be returned to the Center no later than Thursday, May 7, at 4 p.m.

BG Army ROTC cadets receiving commissions at the end of this semester will be given the opportunity of choosing the month they wish to begin their active duty, the Army announced recently.

The new ruling requires all graduates to go on active duty before June 30, 1954. This is an attempt to allow the students enough time to make plans for the future. It also will give the Army a chance to better assimilate the ROTC graduates into active service.

It was also announced that veterans who enroll in the Army ROTC will not have to complete the first and in some cases the second year of ROTC basic training.

The veteran will receive a reserve commission upon graduation and will not be required to go on active duty.

Falcons Take Two Games From Rival Rocket Nine

By BILL ROGERS

Baseball Coach Warren E. Steller reached into his magic bag Saturday and came up with a clutch-hitting pinch-hitter, a fast-falling relief pitcher, and best of all a 9-8 victory over Toledo, the Falcons' second of the week end.

The pinch-hitter was Carl Kokorcheny, the reliefer Wally Server, and the victory was the second one-run win over Toledo in two days. The twin victories gave the Falcons added hope for a Mid-American Conference championship. Western Michigan and Ohio U split games over the week end, enabling Bowling Green to move into a three-way tie for first place with them.

Scarr Hits Homer

For BG there were many stars, including Mark Scarr whose second inning homerun produced the Falcons' first run, but Carl Kokorcheny deserves a lot of extra credit for his work. With BG trailing five to one in the sixth inning, Coach Steller called Kokorcheny off the bench to bat for James Strathern. The bases were loaded as Kokorcheny stepped to the plate. After missing two pitches, he golfed an inside pitch far over the rightfielder's head for a grand-slam home run.

Toledo came back in the bottom of the sixth with three runs to again take the lead, 8 to 5. With but one out in the ninth, Wally Server beat out a high bouncer to the left side of the infield. Glenn Matter singled to right and Phil Sekerchak then fanned for the second out. Al Ikeda walked, filling the bases. Kermit Knowles went in to run for Ikeda.

Penkoff Gets Winning RBI

Gene Bunker's solid hit to center scored Server and Matter, and when the Toledo second baseman overthrew third on the relay, Knowles scored the tying run and Bunker raced to second. Ron Penkoff delivered a single to score Bunker with the winning run.

When Toledo's first two men got on base in the ninth, Coach Steller moved Server from short stop to replace Don Doran on the mound. Server promptly walked the next batter to fill the bases. With the tension mounting on every pitch, the strong-armed Server retired three men in a row to preserve Bowling Green's fifth victory of the season. The Falcons have lost two.

Falcon Golfers Swing Past Michigan 14-4

Bowling Green golfers swept past Michigan Normal 14 to 4 Saturday at Ypsilanti. Dick Rodney and Jim Dysinger tied for honors on the Falcon team, hitting 79's on a 72 par course.

Friday the Falcon golfers ran into a strong Kent links crew with the Orange and Brown swingers ending on the bottom of a 15½ to 2½ score. Dave Slough was low man for Bowling Green on the Twinrivers Country Club course.

Phi Delts Down SAE To Take Loop Lead

Phi Delta Theta took over first place in League I in fraternity softball as it edged out Sigma Alpha Epsilon 8-6 on Monday, April 27. Phi Delta Theta broke up the ball game by scoring five runs in the third inning and one each in the fourth, fifth, and sixth.

In League II, Sigma Nu and Sigma Chi continued in a tie for first place as both swept to easy victories. Sigma Nu pounded across 10 runs in the first inning and coasted to an easy 17-3 victory over Zeta Beta Tau.

A bill was introduced to have a normal school, located in Bowling Green, on Jan. 7, 1908.

Cindermen Win 2nd Meet At Kent State

Crosten-Sandy Are BG Double Winners

Bowling Green's Falcon Cindermen traveled to Kent State last Saturday and defeated the Golden Flashes 83½ - 43½. The thinclads piled up a total of 10 first places and gained their second win of the season, making their record two wins and two losses.

Marv Crosten and Maurice Sandy were double winners for Bowling Green. Crosten captured the mile run in 4:50.3 and the two-mile run in 10:17.3. Sandy won the 100-yard dash in 10 flat and broad jumped 21 feet, 7 inches.

Several Ties In Meet

The meet saw two three-way ties and a four-way tie. In the 880-yard run Keith, Roane, and Crosten (BG) tied for first. In pole vault Phelps and Buner (Kent) and Zickes (BG) all failed to clear after the 11-foot 6-inch mark. The four-way tie came in the high jump with Seaman and Johnson (Kent) and Gallapoo and Bradshaw splitting first-place honors.

The Falcons captured both the mile and the 880-yard relays, the mile in 3:37.2 and the 880-yard in 1:35.4.

Coach Matthews stated, "The team has been improving steadily. They are farther along than I had anticipated for this early in the season."

Surprise of the meet, according to Matthews was the shot put. Bowling Green took a second and a third in this event. The shot put has been the weak spot in the squad.

Hawaiian Lad Is Success To BG US Pastime

By DICK JONES

"Good things come in small packages" is an adage that finds its best example at Bowling Green in the person of Jerry Omori, Falcon second baseman.

Omori, who hails from Kona, Hawaii, is only 5 feet 2 inches tall and weighs 150 pounds. However, he is small in physical stature only, as any Falcon baseball opponent will gladly attest.

Jerry's first contact with baseball came in his grade school days in Kona. He and his friends spent hours after school tossing a makeshift ball. It was not until the eighth grade, however, that Omori got his first look at an organized game.

Strong Liking For Game

From then on, baseball took up most of his time. "I was attracted to the game immediately and I guess that strong liking has been my main encouragement," Jerry claims.

Since enrolling at Bowling Green the diminutive Omori has won acclaim from every Falcon baseball fan. However, he also proves to be an outstanding performer in the Perrysburg Amateur League each summer. While playing with the Holgate nine, two years ago he traveled to Wichita, Kans., to take part in the National Amateur Tournament.

Worked Out With Chicago

When asked of his greatest thrill in baseball, Jerry replied, "I believe that would be my trip to Chicago last summer as guest of the Chicago White Sox." He spent five days working out with the team.

Jerry is majoring in biology and physical education. Upon graduation in January, 1954, he is thinking tentatively of trying professional baseball. If his play the past three years at Bowling Green is any indication, Jerry will have made a wise choice.

Diamondmen Meet Michigan Normal To Seek Revenge

Warren Steller's diamondmen will try to make it four straight this afternoon when they meet Michigan Normal in the second game of the two-game series between the two clubs. The contest will be played at 3:30 on the Falcon field.

Bowling Green was dropped by Normal 9-7 in their first encounter this year, but Coach Steller believes the Orange and Brown have improved since then and should be on the long end today.

Hunter Possible Starter

Coach Steller will probably start either Chuck Hunter or Skip Paridon on the mound. Paridon was the losing pitcher in the 9-7 decision. Paridon had very poor control in that contest and gave up four hits coupled with four walks and a BG error to give Normal six runs before he was lifted in favor of Hunter, who retired the side.

The Falcons have now defeated Hillsdale once and Toledo twice, both by one run, to give them three straight victories. Their complete record is 5-2. The Mid-American Conference is 3-1, the only loss

coming from Ohio University.

MAC Crown In Sight

Bowling Green plays OU again later in the season and could gain revenge on the Bobcats. With a little luck and some tight pitching the BG diamondmen could easily bring the Mid-American Conference championship to Bowling Green. The Falcon hitting in the clutch has been excellent in the last two contests and will be very dangerous for any opposition the remainder of the season.

Week End Included Phi Kappa Psi Annual Dawn Dance

Four o'clock Saturday morning found Phi Kappa Psi members and their dates dancing in the Rec Hall at their seventh annual Dawn Dance. Arabian Nights was the theme of the dance, with two tall palm trees surrounded by sand decorating the middle of the floor. Patricia Voth, Alpha Xi, was crowned Sweetheart of Phi Kappa Psi.

At the "Alpha Phi Corner Drugstore" Friday night, Sigma Chi's and Alpha Phi's tried to outdo each other in concocting fabulous sundaes. A long line of many flavors of ice cream and assorted trimmings provided the entertainment.

Tom Dunford has been installed as president of Sigma Nu and Joy Traver will serve as Delta Zeta president for the coming school year. Other officers of Sigma Nu are vice-president, Andy Tolas; recorder, Don Seidel; treasurer, Bob Troknya; chaplain, Jack Paden; and marshal, Fred Gerbing.

Carol Grimes is DZ corresponding secretary; Helen Harned, treasurer; Dottie Cooley, pledge mistress; Dottie Baden, rush chairman; Phyllis Vredenburg, recording secretary; and Linda Bremer, house chairman.

Sports sidelight: The ATOs won the "Black Foot-White Foot" Week water fight trophy Wednesday night in an hour-long battle with the Sigma Nus. The Sigma Nus were held behind their sidewalk "boundary" for 25 minutes before the fight ended; then all the spectators were given a thorough soaking by both fraternities.

A Parent's Day with the theme of the "Roaring Twenties" was given by Alpha Chi Omega Sunday. After a banquet at the Commons, a coffee and entertainment hour was held. Kappa Deltas also entertained their mothers this week end. PIKA serenaded the Kappa Delta mothers Saturday night.

The Kappa Sigs entertained their housemother, Miss Ruby Brownlee, at a birthday celebration Monday.

Exchange dinners this week included: ADPI and SAE, Alpha Xi and DU, Alpha Gam and ZBT, Alpha Chi and Phi Psi, Chi O and Sig Ep, and ATO and KD.

Rog Phillips combo played for the Alpha Gam closed formal last week at the Fine Arts gallery. Tom Hasson was awarded a trophy for being chosen "Alpha Gam Man."

The Bowling Green chapter of Delta Gamma was awarded the province scholarship trophy at a convention last week end at Denison University.

Alpha Chi Omega seniors gave a party for the underclass members of the sorority Tuesday.

Faculty And Students Compete At Picnic

A faculty-student baseball game will be held Wednesday at a picnic in City Park sponsored by Psi Chi, recognition society in psychology, for the psychology majors, minors, and faculty. All those going will meet at the psychology department at 4 p.m.

Those who are interested may contact Jane Baehler at the psychology department.

Phi Delt Queen Of Queens

Richard Moss, Phi Delta Theta, crowned Dorothy Farley Queen of Queens at the fraternity's all-campus dance, The Royal Prom, Saturday night. Attendants to the queen were Sue Wyndham, Delta Gamma, left, and Marjorie Patterson, Gamma Phi Beta, right. Miss Farley is a member of Delta Gamma also.

The queen and her attendants were chosen by movie star Jeff Hunter, a Phi Delt alum from Northwestern University. He announced the court via a telephone circuit hooked up to the public address system.

The gymnasium was decorated as a royal ballroom with crowns and shields. Couples entering the ballroom crossed a castle drawbridge.

Quill Type Club Initiates Members

Initiation of new members into Quill Type, business education club, will be held at 7 p.m. Wednesday in the Faculty Room of the PA Bldg.

New officers elected at the last meeting were Patricia Smith, president; Beverly Gorrill, vice-president; Marilyn Early, corresponding secretary; Kay Carter, recording secretary; Joan Walsh, treasurer; Marjorie Miers, program chairman; Mary Jo Krawetzke, newspaper editor; and Carol Fries, publicity chairman.

Initiation Is Today

Initiation for Alpha Kappa Delta, recognition society in sociology, will be held in Studio B of the PA Bldg. at 4:30 p.m. today. Kathleen Burkley, Claire Grossman, Lois Keppler, Arlene Mancuso, Marianne McRae, Imogene Piehl, and John Scanlon will be initiated, said James Mauch, president.

After the initiation, a banquet will be held at 6 p.m. in the Commons. Dr. Robert O'Brien, chairman of the sociology department at Ohio Wesleyan will speak on "Research in Sociology."

The dedication of the library and gymnasium was on Nov. 19, 1927.

Geology Students Take Five-Day Trip

About 30 students of the geology department, with Prof. John R. Coash, assistant professor of geology, and Dr. and Mrs. Samuel M. Mayfield, professor of geology, will travel about 1,400 miles around Lake Michigan, on the annual spring field trip of the department.

The group will leave at 12:30 p.m. tomorrow and head west for the Indiana Dunes, which are located east of Chicago. After the student geologists explore the Dunes they plan to camp out for the night.

The next day the group will break camp and drive toward the Wisconsin Dells. The Dells of south central Wisconsin were made by the Wisconsin River washing and dissolving the limestone bedrock.

To Visit Copper Mines

After the party breaks camp for the second day they will go to Baraga State Park, which is located about 30 miles from Houghton, Mich. They plan to visit the Michigan College of Mining and Technology and look over the display that the College has set up. They will also visit some of the copper mines on the Keweenaw Peninsula.

For the fourth and final night the party will set up camp at the Straits of Mackinac, after spending the day at the Marquette Iron Range.

Otis McRae, senior majoring in geology, has built a Geiger counter which will be tested on the trip.

The trip has been planned, and discussions formulated by the students who are taking part in the trip.

The group expects to be back sometime late Sunday.

Sigs Win In Handball

Sigma Chi edged out Sigma Alpha Epsilon 2-1 for the fraternity handball championship last week.

Sigma Chi took both singles matches as Gene Bunker edged out Rex Simonds and John Myer defeated Lou Drago.

The doubles event was won by Sigma Alpha Epsilon as William Myers and Russell Cancro teamed up to down Sigma Chi entries Ronald Penkoff and Glenn Matter.

All-Campus Retreat Sponsored By UCF
